The above-named applicant requests a Permit to construct an access in accordance with Vermont Department of Highways Standards to serve the applicant's property listed above.

### General Standards for all Driveways

All access driveways shall be located not less than 100 feet from the intersection of the right-of-way lines of intersecting roads. All entrances shall be no less than 28 feet in width to safely accommodate the traffic passing over it including emergency vehicles. The total number of access roads permitted on each side of a continuous length of road frontage on a parcel shall not exceed the number set forth below. In determining the number of access roads permitted, entrances for farm or forestry purposes shall not be considered. In calculating the number of access roads permitted, any access road in existence prior to the passage of this section or constructed thereafter shall be included.

Continuous Road Frontage of Parcel	Number of Access Roads Permitted
Less than 800 feet	2
801 feet to 1,600 feet	3
1601 feet to 2,400 feet	4
2,401 feet or greater	5

Notice: This permit is issued in accordance with Title 19, Section 43 relative to highways within the control and jurisdiction of the Town of Vershire. The issuance of this permit does not release the applicant from any requirement of state ordinances or the rules and regulations administered by other governmental agencies. This permit is subject to directions, conditions and restrictions contained herein and on any attachments hereto, and covers only the work described in this application. This permit will be effective upon compliance with these requirements as are applicable and will continue in effect for as long as the present land use continues. Any change from the present land use will require a new permit. Violations are subject to the penalties set forth in Title 19, Section 44 of fines not more that \$100 or imprisonment of not more than 30 days or both. Each day that the obstruction exists shall be deemed a separate offense for the purpose of this section.

The applicant agrees to maintain said access and adhere to the directions, restrictions and conditions contained in or attached to this permit.
